

Summer is in full swing in the Chesapeake Bay and the historic Chesapeake City. Here are just some of the many great things happening at The Inn at the Canal.

Fireworks and Beer Festival July 5th

Inn at the Canal will be hosting a Beer Garden on July 5th at the waterfront. It is a great place to enjoy the fireworks celebration. Stay 2 nights at the inn and each get a free beer ticket for the event.

Bike the Ben Cardon C&D Canal Trail

The Inn at the Canal also has bike rentals if you need a bike. For a fun day of riding try the newly completed Ben Cardin C&D Canal Trail with trailhead access just 350 feet from the inn, adjacent to the town Ferry Dock.
